Board of Selectmen, Town of Hart's Location

SELECTMEN'S REPORT

It has been a busy and challenging year for the Board of Selectmen. In October, Marion Varney resigned as Town Clerk/Tax Collector due to health reasons. In November, the town office was relocated to the Town Hall at 979 US Route 302, PO Box 540, Hart's Location, NH 03812-0540. The telephone number at town hall is (603) 374-6397. Charles Ruggiero was appointed as Town Clerk and Tax Collector in late October. Charlie served through the end of January, 2010, at which point he tendered his resignation.

Both Charlie and Richard Garabedian were instrumental in moving the town office and setting up the new office at town hall. We all owe Charlie and Richard a debt of gratitude for their substantial efforts in both the move as well as the establishment of communications infrastructure to allow the town office to function in the new location. The town has acquired a new computer and a printer/scanner/fax machine, and a new satellite dish has been installed to provide the state mandated internet access for Vital Statistics reporting.

I've said it before, but this year it is more apparent than ever that we need the participation of *all* of our residents in order for the town to continue to function. You will notice that there are several vacancies on this year's ballot. Nobody filed by the January deadline for any of the vacant offices. If you are willing to serve, please consider writing your name in on the ballot for the office of your choice, and let your neighbors know of your willingness to serve. Many, but not all, of the officers whose terms are ending have expressed a willingness to serve again. If you are unsure of who is willing to serve, ask before you vote.

The Board of Selectmen will have two vacancies for the coming year. Richard Garabedian has tendered his resignation effective March 1st, 2010. Karen Capone's term ends this year and she has indicated that she will not serve another term. Our thanks to Karen and Richard for the time and dedication they have shown during their time in office. We now need two new members on the Board of Selectmen in order to function as a governing board.

We also have a vacancy for the office of Town Clerk and Tax Collector. State law currently requires the position of Town Clerk and Tax Collector to be filled by a town resident. Ed Butler will continue as deputy town clerk and tax collector so that we have a resident in this capacity, but realistically, as a state legislator and business owner, he does not have the time to perform the functions of Town Clerk and Tax Collector. Leslie Mallett, Town Clerk and Tax Collector in Bartlett, has agreed to serve our town as an interim Town Clerk and Tax Collector, in the absence of a town resident in this position. We will need to amend the town budget during town meeting to cover the cost of Leslie's time and/or any additional town administration that may be required.

We have advised the Department of Revenue of this situation and we will be working with the Secretary of State's office to ensure that the town continues to function within the framework of the law. It will likely be necessary to follow up with special legislation in the State House to provide the exceptions required.

Mark Dindorf
Chairman, Board of Selectmen

Hart's Location Town Meeting

March 10, 2009

Present; Carolyn King, Calvin Hunsiker, Mark Dindorf, Bill King, Les Schoof, Marion Varney, Karen Capone, Kath Harris, Ed Butler, Richard Garabedian, Nancy Ritger, Nancy Holmes and George Holmes.

Moderator Les Schoof called the meeting to order at 5:19 pm. Mark Dindorf made a motion, seconded by Ed Butler to waive the reading of the articles. The motion passed unanimously.

Article 1. To choose all necessary Town Officers for the ensuing year. Nancy Holmes and George Holmes elected to the School Board, Kathleen Hunisker elected as School Treasurer. Town officers elected: Mark Dindorf –Selectman, 3 year term; Richard Garabedian-Selectman, 2 year term; Marion Varney – Town Clerk/Tax Collector, 3 year term; Andy Kohn – Road Agent, 1 year term.

Articles 2-14. Town voted by special ballot for floodplain and zoning ordinance changes. All articles passed.

Article 15. To see if the town will vote to discontinue the elected position of Treasurer and to authorize the Selectboard to appoint a qualified individual to perform the duties of the Town Treasurer. Pursuant to RSA 41:26E.

Discussion to explain that the town needs a treasurer to function as a town. The article allows a nonresident to be appointed by selectman. Beth Schurman, who is no longer a resident, is willing to be appointed again. If the article passes the town would need a warrant article to re establish treasurer as an elected office. Motion made by Ed Butler and seconded by Calvin Hunsiker. The motion to approve Article 15 as written was passed unanimously.

Article 16. To see if the town will vote to discontinue the elected position of Auditor and to authorize the Selectboard to appoint a qualified individual to perform the duties of the Town Auditor. Pursuant to RSA 669:17B. Motion made by Bill King and seconded by Karen Capone. Motion to approve Article 16 as written was passed unanimously.

Article 17. To see if the town will vote to change the purpose of the Burke Road Capital Reserve Fund, rename it the Town Road Capitol Reserve Fund, and allow the funds to be used for the repair and maintenance of all approved town roads. Pursuant to RSA 35: 16 Requires 2/3 majority of voters present to pass.

Explanation: Road Reserve does not take money away from Burke Road. Warrant article is required to add funds for roads owned by the town. Camp Onion Road is private association road, Bemis Road is a state owned road. Town Hall is just a driveway that could be upgraded to town standards if the town wanted to accept it as a town road. Motion made by Calvin Hunsiker and seconded by Karen Capone. The motion to accept the article as written carries. 12 in favor, 1 abstain.

Article 18. To see if the town will vote to designate the selectboard as “agents to expend” from the Town Road Capital Reserve Fund as previously approved for the Burke Road Capitol Reserve Fund.

Motion made by Mark Dindorf and seconded by George Holmes. The motion to accept article 18 as written was passed unanimously.

Article 19. To approve the Town Budget for the ensuing year and make appropriations of the same:

a. Town Officers' Salaries (Selectmen and Treasurer @ \$250 each, Town Clerk/Tax Collector @ \$1200, Trustee of Funds @\$30, plus Moderator @ \$20 per meeting not exceeding \$60)	2250
b. Financial Administration	3000
c. Fire/Rescue	5000

f. Highway Expenses	3750
g. Town Insurance	600
h. Advertising & Regional Associations	750
i. Town Building Electric/Gas/Telephone	1500

Motion made by Calvin Hunsiker and seconded by Karen Capone. Motion to accept Article 19 as written was passed unanimously.

*Executive Councilor
District One*

Report to the People of District One By: Executive Councilor Ray Burton

2009 was indeed the year of American Recovery and Reinvestment Act (ARRA)/Stimulus Funds in New Hampshire!

As of November 4, 2009, \$579,305,870.00 had been allocated in New Hampshire in nine areas: business/community; education; employment; energy; health; housing; safety; technology and transportation. Of that \$181,463,876.00 went to Council District One towns and cities and the counties of Belknap, Carroll, Coos, Grafton and Sullivan.

The ARRA money has enabled local, state and county government to work on projects that have been in process and planning for years. For a complete listing of these projects go to: www.ed.state.nh.us/education/recovery/index.htm or write to my office.

Governor Lynch has now submitted the New Hampshire Transportation Plan to the New Hampshire House and Senate. Highways/bridges, rail, aviation and public projects are among the proposed recommendations. Contact your local State Senator and Legislator for details about what projects you believe to be key ones for your region.

As Councilor, I do not see new revenues being raised in New Hampshire State Government. With the decline in existing revenues leading to cut backs in services, only time will determine what the law making branch has in mind for new dollars. Keep in close touch with your local State Senator and Legislator to make sure costs are NOT passed on to county and local government.

The Governor and Council are required by law to fill dozens of boards and commissions with volunteers. If you are interested in serving, please send a letter of interest and your resume to Governor John Lynch, Attention: Jennifer Kuzma, Appointment Liaison, State House, 107 North Main Street, Concord, NH 03301 For the current list of what possible appointments might be coming up go to: <http://www.sos.nh.gov/redbook/index.htm>.

There is a constant flow of informational items available at my office: tourist maps, consumer handbooks and the New Hampshire Constitution. Each Monday I send, via e-mail, the schedule of my weekly meetings and other information. Send me your e-mail to be added to the list at rburton@nh.gov or find the schedule on my State House web page at: <http://www.nh.gov/council/district1/schedules>.

WHEREAS, Hart's Location and Bartlett are mutually aware of the educational and financial advantages to be enjoyed by both school districts through their association together under a long-term tuition contract, particularly in terms of the long-range improvement of the educational environments and most efficient use of the tax resources in both communities;

NOW, THEREFORE, IN CONSIDERATION of the mutual provisions and undertakings set forth, the parties agree as follows:

1. Tuition Arrangement – Hart's Location shall send all of its pupils, grades K through 8, with the exceptions hereinafter noted, to Bartlett for schooling and shall be responsible for the transportation methods and expenses in connection with such attendance, and Bartlett shall accept said pupils and be responsible for their education on the same terms and conditions, providing them with the same opportunities for education and cultural advancement and improvement as is the case with pupils residing in Bartlett. Special Education costs, in addition to those included in the regular tuition calculations, will be the responsibility of the Hart's Location School District.

2. Attendance Commencement and Term – Attendance of Hart's Location pupils in the Bartlett School system pursuant to this agreement shall commence at the inception of the school year ~~2001-02~~ 2010-11, and shall continue for an original term of three (3) years.

3. Termination Notice – Automatic Renewal – This contract shall be automatically extended on a year-to-year basis at the end of the original term unless written notice of termination is given by either party to the other. Such notice shall specify the last school year for which the contract shall be effective, which shall be at least the third full school year following the school year shall be considered as beginning September and ending August 31 of the following year.

4. Tuition Rate – ~~The rate of tuition shall be determined annually and shall be the estimated cost of Bartlett's current expenses for grades K through 8 in average daily membership, as estimated, for the year immediately preceding that for which the charge is made. The fiscal year is July 1 to June 30. A rental charge of two (2) percent shall be included in the tuition rate and shall be calculated in accordance with the provisions of RSA 194:27 as it may be amended. The tuition rate shall be estimated by the Bartlett School District not later than December 31 of each year preceding the year the charge is made and the Hart's Location School District shall be notified at that time.~~

The tuition to be paid by Hart's Location to Bartlett for each of its students shall be calculated by taking the actual elementary general fund expenditures for the preceding year as currently reflected by line 7-26 of the MS-25 form filed with the Department of Revenue Administration (copy attached), and subtracting the amounts for transportation; any special education costs, including psychological and speech services, not included in the comprehensive school program and/or provided exclusively for Bartlett Students; plus an inflation factor equal to US Department of Labor Consumer Price Index – Size A – Northeast Urban (October of current year) plus 2.5%; plus or minus the net actual expenses for the prior year; and dividing those expenses by the Average Daily Membership (ADM) for the preceding year to determine the tuition per pupil, and attributing that cost to each Hart's Location student. Each annual calculation report shall be appended to this agreement as a rider to the agreement.

Hart's Location shall pay a 2% rental fee as calculated by the SAU office and approved by the Department of Education. Each annual approved calculation report shall be included with the agreement as a rider.

Hart's Location will pay direct costs for special education or other specialized programs not included, or unable to be provided in the regular operation of the school.
